THIRU M. A. LATHEEF: You are not the authority to allow me, Mr. K. T. K. here. I take great objection to it. He should withdraw that. Who is he to allow me? He is not the person. You are the only authority in this House, Sir.

THIRU K. T. K. THANGAMANI: I would like to know from the Hon. Speaker whether he can speak from imagination when it concerns the lives of nine people, when people talk so glibly from imagination.

THIRU R. PONNAPPA NADAR: Sir, Mr. Latheef is an hon. Member who is well-versed and a lawyer member. He should not style the assembly as unlawful. There is no enquiry. If there is a judicial enquiry, there will be a verdict. We can know whether it was anti-social element or not. Therefore, now most of his arguments are not relevant.

THIRU M. A. LATHEEF: Mr. Speaker, I am glad that at least our hon. Leader of the Congress Party...........

THIRU K. KANDASWAMY: It was stated that certain references should not be made. But so long we had been hearing members making charges against the Government with all seriousness. If they had got the courage, why should they not face a judicial enquiry? After having given it in writing that they do not want a judicial enquiry by a High Court Judge, if they speak now about serious shouting, loss of lives and property on what basis do they speak, I want to know.
